

Join the A Scene in Seventeen

2017 Model A Regional Meet, Omaha, Nebraska

You are invited to Omaha, Nebraska the week of **June 5-9 2017** as the Meadowlark Model A Club hosts the 2017 Midwest Regional Meet.

Come “Join the A Scene in Seventeen” as we celebrate the Model A Ford through a gathering of Model A enthusiasts for five days of auto and non-auto related activities during a fun-filled and family-friendly week.

We plan to visit many attractions in the Omaha area

The Strategic Air Command and Aerospace Museum, southwest of Omaha near Ashland showcases the history of our Air Force and especially the Strategic Air Command (SAC) that kept our nation safe for decades. SAC was headquartered just south of Omaha in Bellevue, Nebraska.

The original Lincoln Highway passed through Omaha. We will give you the opportunity to drive your Model A over an original brick portion of the Lincoln Highway near Elkhorn, Nebraska. This historic section of the highway is on the National Registry of Historic Places, and still has the bricks that were laid in 1920. Driving your Model A on this historic section of the Lincoln Highway is an opportunity you won't want to pass up!

Other attractions we are planning to visit include:

- The world famous Henry Doorly Zoo,
- Lauritzen Gardens, with over 100 acres of flowers and plant displays from around the world
- Historical Boys Town
- The CLAAS assembly plant for North America's LEXION combines
- Lee G. Simmons Conservation Park & Wildlife Safari
- Museum of American Speed in Lincoln

Many of the traditional activities conducted at previous regional meets such as the men's and ladies luncheons, Hubley races, tech talks, People's Choice awards, and Model A car games will also be a part of our week of activities. We will also have a special indoor display of rare Model A's you don't commonly see. Finally, we plan to have several evening activities which will allow you to relax and unwind after a tough day of Model A fun!

This will truly be a family-friendly regional that you will want to bring your kids and grandkids to, so be sure to bring them along for the fun. We have negotiated a great deal to allow kids (and adults too) access to the CoCo Key Water Resort, located right next to the hotel, on a day by day basis and at a greatly reduced price. Youth activities will also include Model A scavenger hunts, movie nights, their own car judging, and a kid's Friday pool and pizza party.

Finally, will also be afforded some “off time”, for a chance to just relax or take part in activities of your choice such as some optional self-guided and short local tours and activities.

Information will be added to our website as we continue to plan this event, so start checking our website at:
